

Mill Creek Parish United Methodist Church presents

www.DerwoodOpen.net

Golf Tournament Sponsors

Over the past 14 years, the Derwood Open has raised over \$170,000 to support the MCP Youth work with the Appalachia Service Project, as well as other home-repair service projects and camps for high-risk kids. Don't miss the opportunity to join your neighbors in supporting this great event, for several reasons-

- Get great public relations in the community
- Get quality advertising in several places - on the course, on the web site, in the Mill Creek Parish newsletter.

A wide variety of sponsorship opportunities are available-

Sponsor Level	Description	Gift
Platinum Sponsor	Lunch sponsor – your name will be prominently displayed on the buffet and lunch tables. This level comes with a free foursome.	\$1000
Gold Sponsor	Hole contest sponsor - your name will be prominently displayed as part of the long drive and closest to the pin contests.	\$500
Gold Sponsor	Breakfast sponsor – your name will be prominently displayed on the breakfast table at registration.	\$500
Silver Sponsor	Your name will be prominently displayed on signage at one of the tee boxes, the driving range or the putting green. For the \$250 gift, your sign will be guaranteed to be the only sign on that hole and you can choose your hole (first come, first served). At the \$200 level your sign may be one of up to two at its location.	\$250/\$200

Every sponsorship includes a listing on the sponsor page; a rotating banner ad on the web site; mention in the sponsor brochure distributed to all golfers and listings in the Mill Creek Parish newsletter!

Check out the web site at www.DerwoodOpen.net or contact Linda Kuserk at lkuserk@outlook.com.

Ad Copy

As a part of your sponsorship, you will get two different ad listings on the web site. We need to know from you exactly how you would like your ad copy to appear.

If you would rather not bother with the details, just list your web site. We'll use language and images from your web site to populate your sponsor listing and banner ad.

Sponsor Page

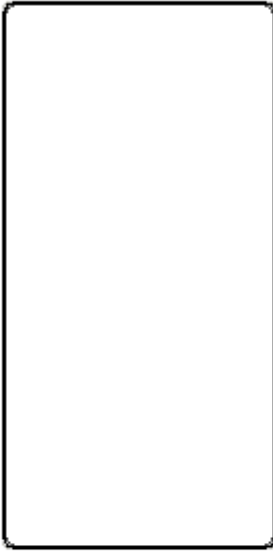

The first is on the sponsor page, where you can have up to 5 lines of text, up to approximately 40 characters each. One of these lines can be a link to your web site, or a link that opens up an email message pre-addressed to you. Check out the page to get a better idea what we mean. Banner Ad

The Derwood Open web page features a banner ad in the left hand margin. Every sponsor has the opportunity to specify a banner ad that they would like to display. Whenever someone views a page on the DerwoodOpen web site, a randomly selected banner ad from our sponsors will be displayed.

The banner ad area is approximately the size of the box shown here. Content in the ad should be grayscale to match the overall look of the site. There are several possibilities for specifying the content of your banner ad-

- Specify text that you would like to display in the box.
- Submit any images that you would like displayed in the box (you can submit images *and* specify text if you like). Remember that the image will be converted to grayscale.
- Submit paper copy in the correct proportions and our web team can scan it in

You should also specify a URL or email address to which your ad should link. You will be sent a link so that you can see your ad before it is posted to the site.

Contact Biff Gaut at biff@biffgaut.com with any questions about your artwork or to submit your ad copy.
